PARISH MISSION STATEMENT

Our mission as the Body of Christ in the parish of St. Jean Vianney is to model the love of Jesus by discerning and doing God's will, consciously Sharing the Word and Eucharist at worship, educating in faith all ages, evangelizing our parishioners for Christ's mission, and serving justly God's people, our sisters and brothers within our parish boundaries, our larger Baton Rouge community, and into the world.
Dear Friends,

As summer arrives all eyes focus on the weekly weather forecasts, particularly the rain threat. The flood of 2016 has left lasting memories of the threat of water, it only takes a little water to make a huge mess. We have done some fine tuning of drainage on the campus. Last year we built a “spillway” near Early Learning and Growth to divert water coming from the west and south side of the campus; we will be concreting the drainage ditch culvert near the Library. Finally, there are plans to divert some of the water that currently migrates from west to east in a more northerly path off campus. Of course the city parish has to do its part by creating more effective drainage with larger pipes going east. I hear that project is in the works.

The new sign project is moving along. The placement of the digital component should be soon, along with the superstructure to hold it in place. The campus bells which were knocked out by lightening at Easter will hopefully be ringing soon. The component needed for the system has arrived from Ireland, but is stuck in US Customs, lets hope for not too much longer.

If you know someone who is interested in becoming a baptized Catholic Christian or someone who is already baptized Christian who would like to become Catholic, please encourage them to attend any Wednesday meeting; 7:00pm at the side entrance of the Gymnasium and members of the Initiation Team will be happy to answer questions.

Happy 50th Wedding Anniversary to Pete and Patricia Crifasi and Joe and Diane Spearman! Many more to you……

Have a good week and keep your feet dry…..

Love,

[Deacon Jeff]

 Reflection
 By: Deacon Jeff

This week we meet two desperate people in the Gospel. Jairus who’s daughter was dying and the woman with the hemorrhage; both have lost hope until they turned to Jesus.

Jesus’s message is clear. Do not be afraid, just have faith.

Each of us faces the trials of this world, some more that others. As we face our troubles, do we turn to God first or last? Is there “nothing left to do but pray” or do we pray first?

We do not need to go looking for difficulties of this world in order to draw close to God. God is always with us in good times and bad. God is there for our troubles, our brokenness and our joyous times as well.

At some time, sooner or later, we will all face our final day on this earth. Let’s make sure we don’t hear Jesus say “I do not know you” but rather hear him say “welcome home.”

THE CHOIR IS COMING BACK!
…and we need YOU! The choir will begin rehearsals on Wednesday, August 4, the Feast of St. Jean Vianney! If you have ever considered singing with us, there is no better time to join than now. After an eighteen month hiatus, we will all be starting from scratch. No experience, training, or audition is necessary—only the desire to sing to the Lord. Contact Karen Ullo, 225.663.0860 for more information.

Getting Hacked Workshop

Worried about getting hacked? One way hackers access your accounts is through trying easy passwords or getting them directly from you through a scam. If you use the same password for everything then they have access to everything. You should get in the habit of making strong passwords and different ones for every account you have, and use a password manager so you don’t have to remember them all.

Jason Devillier is giving a 2 hour workshop on Bitwarden (a free password manager). Bring your laptop, tablet and/or phone and start protecting yourself online. Everything is free. Workshop is 6pm-8pm, June 29, St. John Room.

SOCIAL RESPONSIBILITY

LIFE AND DIGNITY OF THE HUMAN PERSON The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. In our society, human life is under direct attack from abortion and euthanasia. Human life is threatened by cloning, embryonic stem cell research, and the use of the death penalty. The intentional targeting of civilians in war or terrorist attacks is always wrong. Catholic teaching calls on us to work to avoid war. Nations must protect the right to life by finding effective ways to prevent conflicts and resolve them by peaceful means. We believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

"Then God said: Let us make human beings in our image, after our likeness. Let them have dominion over the fish of the sea, the birds of the air, the tame animals, all the wild animals, and all the creatures that crawl on the earth. God created mankind in his image; in the image of God he created them; male and female he created them." (Genesis 1:26-27)

Creator God, help us honor the dignity of all people, especially those in whom God’s face may be difficult to recognize. Inspire us to help protect human life in all its stages, at home and around the world. Amen

"THINGS HAVE A PRICE AND CAN BE FOR SALE, BUT PEOPLE HAVE A DIGNITY THAT IS PRICELESS - AND - WORTH FAR MORE THAN THINGS."

— Pope Francis
